EXAMINER'S AMENDMENT

Response to Amendment

This action is in response to Applicant's amendment filed May 12, 2005. Claims 17, 25, 27, 28, 30, 42-46, 76, 84, 86, 87, 89, 101-105, 135, 143, 145, 146, 148, 160-164, and 178-183 are pending in the present application.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward A. Kmett on September 17, 2007.

The application has been amended as follows:

Please amend the preamble of claim 145 to read as follows: "the storage medium according to claim 144 135,"

Please amend the preamble of claim 146 to read as follows: "the storage medium according to claim 144 135,"

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: independent claims 17, 30, 76, 89, 135 and 148 are allowed. In combination with all the elements in the claims, the prior art of record does not teach that the second determination is made based on state information that is collected between the time of the first and second access request as amended in the claims and as argued by Applicant on page 27 of the Remarks. The remaining of the claims are allowed as being dependent on allowed claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alina N. Boutah whose telephone number is 571-272-3908. The examiner can normally be reached on Monday-Friday (9:00 am - 5:00 pm).

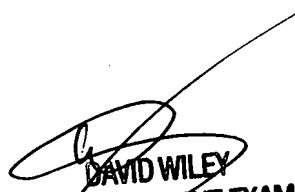

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David A. Wiley can be reached on 571-272-3923. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
